

# Sponsorship Benefits and Opportunities

---

- Accelerate your business
  - meet outstanding ventures in personalized one2one matches
  - get high-potential new ventures on your radar screen
- Increase your network
  - increase significantly your exposure to our outstanding network of technology entrepreneurs, technology companies across all stages, delegates from global corporations searching for talents, technologies and innovation, institutional, corporate, venture capital and angel investors
- Maximize your company's presence
  - By sponsoring Alpha Summit Europe you will enhance your brand image while communicating your core values to new markets. As a result you will improve your company's image and reputation throughout the industry and increase awareness of your services within our network.
- Variable opportunities
  - host either the get together on the pre conference evening or the conference lunch
  - present your company to the media as a Alpha Summit Europe sponsor
  - highlight your company's profile in the alpha summit conference book directly after the cover page
  - advertise your company with a custom banner and link on the homepage of the alpha summit website
